

# ASIALINK STUDY TOUR WORKSHOPS

FOR STUDENTS AND EDUCATORS  
FROM ASIA AND THE PACIFIC

Targeting upper-secondary or university students and educators

# ABOUT US

Asialink, which is a part of the University of Melbourne, has been providing international education programs for more than three decades. The University of Melbourne is the top-ranked university in Australia and ranked #14 in the world according to the 2024 QS World University Rankings.

The Asia Education Foundation team at Asialink has designed a series of workshops exclusively for upper secondary and university students and educators from Asia and the Pacific visiting Australia. These workshops will take place at the University of Melbourne's Parkville Campus, aiming to offer a transformative educational experience. The objective is to provide participants with an immersive and enriching educational experience that will enhance their learning during their visit to Australia.

We offer a range of informative resources, both national and international professional development opportunities, innovative programs, and extensive networks that link schools, students and teachers with counterparts across Asia and the Pacific. Situated within a stone's throw from the bustling city of Melbourne, the University of Melbourne's Parkville campus seamlessly blends historic charm with contemporary architecture, providing an inspiring setting for learning.

At the start of each module, participants will be warmly greeted warmly by a University of Melbourne executive staff member and will be presented with a certificate of completion upon concluding the workshop. Our workshops epitomize an immersive, student-centered, and activity-based learning paradigm, fostering a dynamic and engaging educational atmosphere.

Through hands-on activities and real-world scenarios, participants will be empowered to take ownership of their learning journey, actively engaging in exploration and experimentation. Designed to promote collaboration, critical thinking, and problem-solving skills, our workshops will equip participants with the tools they need to thrive in diverse and complex environments. Anchored in experiential learning, we will cultivate an inclusive environment where every individual's input is valued, ensuring a truly enriching educational experience for all attendees.

We are delighted to also be able to offer a choice of six workshops for educators, spanning a range of key topics from a focus on contemporary trends in curriculum and assessment, to global competence and learning about the Australian education system. Details about modules for teachers are available at the end of this document.

# PROGRAM OVERVIEW

Embark on a transformative learning journey tailored for upper-secondary and university students and educators from Asia and the Pacific at the illustrious University of Melbourne's Parkville Campus. Select from ten student immersive workshops and six educator workshops.

Each student workshop spanning three enriching hours, including an introductory session prior to the initial workshop dedicated to ice-breaking and setting expectations. Get ready to embark on a journey of discovery and growth!

Groups are invited to curate their own learning experience by selecting from a diverse array of workshops tailored to their interests and objectives. With a wide range of topics available, groups can customise their study program to align with their specific needs and preferences, from one three hour session to multiple sessions spanning several days. Whether delving into the intricacies of cultural exchange, honing leadership skills, or exploring career pathways, our workshop offerings cater to a variety of interests and learning styles. Empower your students by designing a bespoke educational journey that fosters engagement, collaboration, and growth.

Each **student workshop** is 3 hours duration, including a 20-minute break (80/20/80)

60-minute student introductory session prior to initial workshop is allocated to ice-breaking and expectation-setting

**Educator workshops** have the option of a half or a full day.
