DOING BUSINESS SERIES

JAPAN

FOUNDATION LEVEL

INTRODUCTION TO

Doing Business in Japan

Introduction to Doing Business in Japan

Japan is the world's fourth largest economy and has a credit rating and business climate on par with most developed countries. Japanese consumers are well-educated with high levels of disposable income, making Japan one of the world's largest consumer markets. Despite the emergence of neighbouring countries offering cheaper manufacturing, Japan remains an enormously powerful force in the world of trade and commerce, and a critical partner for Australia.

This program helps participants build the knowledge and skills to do business in Japan. It focuses on Japanese business styles and how to engage to ensure successful business outcomes.

Who should attend?

- Exporters
- ASX Listed organisations
- SMEs
- Professional services organisations
- Federal, state or local governments
